

ACEDP - Schedule of Events

| | | |
|-----------------|-----------------|--|
| May 2010 | 1 - 3 | May Holiday in China |
| | 10 - 20 | Pilot Study in Miyun Reservoir (Beijing) by joint expert teams for MEP subproject, funded under the ACEDP ' Water Ecology Compensation ' (Payment for Environmental Services PES) Policy & Mechanisms' project |
| | 8 - 29 | (tbc) 3-week Technical Training in Australia for senior Chinese forestry experts from Qinghai Province and Beijing under the 'Application of Multi-Criteria Analysis to Monitor Forestry Ecological Programs and Evaluate Community Compensation Mechanisms such as Carbon Sequestration in Qinghai Province' - a partnership project involving SFA, QFB, FEDRC, BRS, SCU and UNSW |
| | 10 - 12 | Technical Workshop on non-point-source pollution in Suzhou (Jiangsu Province) under the ' Lake Tai Water Pollution Treatment' project |
| | 10 - 16 | Liao River Field Work in Shenyang under the ' River Health & Environmental Flows in China' project |
| | 12 | Presentation by the 'Comparative Study for Measures against long-lasting Drought ' project at the MWR workshop 'Water Savings in Irrigated Agriculture and Management', funded by the UK-DFID under the 'Water Resources Demand Management Assistance project in Beijing |
| | 14-15 | Visit by Technical Teamleader of ' Lake Tai Water Pollution Treatment' project to Beijing to organise Heihe River Basin study tour with NDRC and WB/GEF in September |
| | 16 May - 26 Jun | Technical Training in Australia (Brisbane) for MWR staff under the ' River Health & Environmental Flows in China' project |
| | 17 - 22 (29) | Technical Training in Australia for six MEP and Ninxia EPA personnel for 2 weeks - under the 'Capacity Building on Adaptation to Climate Change in the Field of Water Environment' - a partnership project between MEP and Melbourne University (Australia China Centre on Water Resources Resarch) |
| | 20 | Presentation by the River Health & Environmental Flows in China' project at the MWR workshop 'Drought Management and Environmental Flow', funded by the UK-DFID under the 'Water Resources Demand Management Assistance project in Beijing |
| | tbd | Study Tour to Australia for Chinese scientists under the ' Environmental Monitoring of San Jiang Yuan Reserve using Remote Sensing and Development of Dam-breaking Forecasts project, a partnership between CSIRO and the Chinese Academy of Surveying and Mapping. |
| | tbd | Technical Training on establishment of Community Consultative Groups in Jiangsu Province under the ' Public Participation in Social and Environmental Impact Assessment and Water Pollution' project |
| | tbd | 10 days Training for 10 project staff from MWR, GIWP and Pearl River Commission in Australia funded under the ACEDP ' Water Ecology Compensation ' (Payment for Environmental Services PES) Policy & Mechanisms Project' |
| | 31 May - 1 Jun | Pearl River Public Participation Workshop under the ' River Health & Environmental Flows in China' project |
| Jun 10 | 12 - 25 | 10 days training for 10 project staff from MWR, GIWP and Pearl River Commission in Australia on the Commonwealth/State Northern Victoria Irrigation Renewal Project - funded under the ACEDP ' Water Ecology Compensation ' (Payment for Environmental Services PES) Policy & Mechanisms Project' |
| | 14 - 17 | Workshop on non-point source pollution and basin management in Suzhou under the ' Lake Tai Water Pollution Treatment' project |
| | 14 - 16 | Dragon Boat Festival Holiday in China |
| | 14 - 24 | Field Visit to San Jiang Yuan , Qinghai Province by CSIRO and CASM specialists to validate the preliminary results under the ' Environmental Monitoring of San Jiang Yuan Reserve using Remote Sensing and Development of Dam-breaking Forecasts project, a partnership between CSIRO and the Chinese Academy of Surveying and Mapping. |
| | tbd | Technical Training for Ningxia water department in Qingtongxia (Ningxia) under the 'Research on Applicability of Total Channel Control in China' project - a partnership between Australia's Rubicon Pty Ltd and the MWR Irrigation and Drainage Development Centre |

Australia China Environment Development Partnership

| | |
|-------------|---|
| tbc | Technical Visit in Qinghai by Australian Team (Dr.Graham Jones and Dr.K Glencross) to undertake the on-ground measure of carbon in the pilot area under the 'Application of Multi-Criteria Analysis to Monitor Forestry Ecological Programs and Evaluate Community Compensation Mechanisms such as Carbon Sequestration in Qinghai Province' - a partnership project involving SFA, QFB, FEDRC, BRS, SCU and UNSW |
| tbd | GPS Training for Lake Tai Local Officials in Suzhou (tbc) under the Gender Mainstreaming , Public Participation & Social Impact Management' project |
| 30 - 2 July | Field Trip to Ningxia by the joint expert team and conduct of Stakeholder Workshops under the 'Capacity Building on Adaptation to Climate Change in the Field of Water Environment' - a partnership project between MEP and Melbourne University (Australia China Centre on Water Resources Resarch) |

| | | |
|---------------|----------------------|--|
| Jul-10 | 9 | Yellow River Data Analysis Workshop in Zhengzhou under the ' River Health & Environmental Flows in China' project |
| | 12 | Liao River Data Analysis Workshop in Beijing under the ' River Health & Environmental Flows in China' project |
| | 13 - 14 | Technical Workshop on river health and e-flows for MWR staff in Beijing under the ' River Health & Environmental Flows in China' project |
| | 16 | Pearl River Data Analysis Workshop in Guangzhou under the ' River Health & Environmental Flows in China' project |
| | 27 Jul - 7 Aug (tbc) | Technical Training in Australia under the MWR-ICE WaRM training project 'System for Environmental Economic Accounting for Water (SEEAW)', funded under Emerging Priorities |
| | tbd | Workshop in Nanjing on Procedures for Public Participation, under the ' Social and Environmental Impact Assessment and Basin Water Pollution Control' project |
| | tbc | Training in Nanjing of Pilot Study Implementation Team and Pilot Community Consultative Group under the ' Public Participation in Social and Environmental Impact Assessment and Basin Water Pollution Control' project |
| | tbc | GPS Training in Suzhou or Huzhou for ACEDP Lake Tai Water Pollution Treatment Project Under the ' Gender Mainstreaming , Public Participation and Social Impact Management' Project |
| | tbd | Technical Training for Water Professionals in other provinces (Shanxi) under the 'Research on Applicability of Total Channel Control in China' project - a partnership between Australia's Rubicon Pty Ltd and the MWR Irrigation and Drainage |
| | tbd | Technical Training for 5 Chinese Wetland Specialists in Australia under the ' Wetlands Management Policy, Guidelines and Capacity Building' project |

| | | |
|---------------|--------------|--|
| Aug-10 | tbd | 2-weeks Internship in Australia under the ' Lake Tai Water Pollution Treatment' project |
| | 2 - 10 | Study Tour for specialists from MWR, MEP, NDRC, SFA and MOFCOM to Australia under the ' Gender Mainstreaming , Public Participation and Social Impact Management' project |
| | 8 - 29 (tbc) | 3-week Technical Training in Australia for senior Chinese forestry experts from Qinghai Province and Beijing under the 'Application of Multi-Criteria Analysis to Monitor Forestry Ecological Programs and Evaluate Community Compensation Mechanisms such as Carbon Sequestration in Qinghai Province' - a partnership project involving SFA, QFB, FEDRC, BRS, SCU and UNSW |
| | tbc | Inception workshop in Australia for the 'Comparative Study on Countermeasures for Long-Lasting Drought ' project, a partnership between the International Centre for Food Security at Charles Sturt University in Australia and the Remote Sensing Technology Application Centre under MWR |
| | tbc | Piloting in Wuxi and Changzhou by Community Consultative Group under the ' Public Participation in Social and Environmental Impact Assessment and Basin Water Pollution Control' project |

| | | |
|---------------|-----|---|
| Sep-10 | tbd | Study Tour to Australia for Chinese scientists under the ' Environmental Monitoring of San Jiang Yuan Reserve using Remote Sensing and Development of Dam-breaking Forecasts' project, a partnership between CSIRO and the Chinese Academy of Surveying and Mapping. |
|---------------|-----|---|

| | | |
|---------------|--|------------------------------|
| Oct-10 | tbc | Chinese National Day Holiday |
| 11 - 14 | 13th International River Symposium in Perth, organised by the International Water Centre Brisbane (Australian manager of the ACEDP River Health & Environmental Flow Project, with MWR and MEP) - http://www.riversymposium.com/ | |
